The purpose of this Article is to establish an orderly procedure for the discussion, processing and settlement of grievances arising from claims alleging violations of this Collective Agreement.

12.2 Grievance Committee: In order to provide an orderly and speedy procedure for the settlement of grievances, the Employer acknowledges the right of the Union to appoint a committee, whose duties shall be to assist any Employee which the committee represents, in preparing and presenting his grievance in accordance with the grievance procedure.

12.3 Employee Grievance: An Employee grievance(s) shall be processed in the following manner:

**Step 1:**

The Employee shall discuss the concern or complaint with the Employee's immediate Supervisor/Manager within seven (7) days of the initial occurrence of the event giving rise to the concern. The immediate Supervisor/Manager shall render a decision within seven (7) days of discussing the matter with the Employee.

**Step 2:**

If the matter is not resolved at Step One (1), the aggrieved Employee shall submit the grievance in writing to the appropriate Director or designate within seven (7) days of the decision of the immediate Supervisor as in Step One (1). Where practical, the grievance shall bear the signature of the Employee and shall provide a summary of the facts giving rise to the grievance, an identification of the article(s) of the collective agreement alleged to have been violated, a brief description of the incident or event giving rise to the grievance, and a description of any relief sought. The Director or designate shall reply in writing to the grievance within seven (7) days from the date which it was received.

**Step 3:**

Failing satisfactory settlement within the specified time under Step Two (2), the grievance shall be submitted in writing to the Director of Human Resources within seven (7) days after the decision of the Coordinator. Within seven (7) days of the submission of the grievance, the Director of Human Resources shall arrange and hold a meeting to discuss the grievance and at any such meeting there shall be present the grievor, the Steward, the President of the Union, the representative of the Union, the Immediate Supervisor and the Director of
Human Resources and such other persons as the parties may mutually agree should be in attendance and both parties shall act reasonably in this regard. The Director of Human Resources shall respond in writing to the grievance within seven (7) days of this meeting. If the matter is not resolved at Step 3 of the grievance procedure, the Union may refer the grievance to Step 4 of the Grievance Procedure.

Step 4:

Within seven (7) days of the decision of the Director of Human Resources or designate, the grievance may be submitted in writing to the Superintendent. The Superintendent shall have available at all times the Director of Human Resources as a resource person.

12.4 The Superintendent shall meet within seven (7) days of the grievance report being submitted to Step 4 and shall respond in writing.

12.5 If the matter is not resolved at Step 4 of the Grievance procedure, the Union may refer the grievance to Arbitration pursuant to the arbitration process outlined within this article.

12.6 **Union Grievance:** Any grievance initiated by the Union shall commence at Step 3. Such grievance shall be submitted in writing (including an identification of the article(s) of the Collective Agreement alleged to be violated) by the Union to the Director of Human Resources within seven (7) days of the event giving rise to the grievance. If no satisfactory settlement is reached within seven (7) days following receipt of the grievance report, it may be submitted by the Union to Step 4 of the Grievance Procedure for resolution.

12.7 It is the intention of the parties that the procedure provided for in this Article for the Union to file a grievance shall normally be reserved for grievances of a general nature for which the regular grievance procedure for Employees is not available and that it shall not be used to by-pass the regular grievance procedure provided for the Employees.

12.8 The time limits fixed in both the Grievance and Arbitration Procedures may be extended by the consent of both parties.

12.9 The Employer shall supply the necessary facilities for grievance meetings.

12.10 **OH&S Grievances:** An Employee or group of Employees who allege being required to work under unsafe or unhealthy conditions shall have the right to file a grievance at Step 3 of the grievance procedure for preferred handling.

The Employer shall submit in writing to the President of the Union a summary of the facts giving rise to the grievance, an identification of the article(s) of the Collective Agreement alleged to have been violated, and a description of any relief sought. The Union President shall respond to the Director of Human Resources within seven (7) days.
12.12 Failing satisfactory settlement being reached, the Employer, on giving five (5) days' notice of its intention to the Union, may refer the dispute to arbitration as set out in this Article.

12.13 No matter may be submitted to arbitration unless the grievance procedure and the time limits thereof have been strictly complied with provided however, in situations where there has been technical oversight or unavailability of the appropriate Representative of the party, the time limits will be extended accordingly.

12.14 **Arbitration:** The Union or the Employer, as the case may be, shall within fifteen (15) days of the date of the reply in the last step of the grievance procedure, notify the other party in writing by confirmed fax or personal delivery addressed to the other party indicating the name, address and telephone number of its nominee to an Arbitration Board. Within seven (7) days thereafter the other party shall answer by confirmed fax or personal delivery indicating the name, address and telephone number of its nominee to the Arbitration Board. The two (2) nominees shall then select a chairperson as expeditiously as possible.

12.15 The Arbitration Board once constituted shall rule on the grievance and render its decision as expeditiously as possible but in any event no later than one month from the end date of the arbitration hearing or within such longer times as may be mutually agreed upon by the parties.

12.16 The Arbitration Board shall render a decision which in the opinion of the Arbitration Board is fair and equitable under the circumstances, however, in no circumstances shall the Arbitration Board have the power to alter, amend, modify, or change the provisions of this Agreement.

12.17 The decision of the majority shall be the decision of the Arbitration Board. Where there is no majority decision, the decision of the Chair shall be the decision of the Board. The decision of the Arbitration Board shall be final, binding and enforceable on all parties.

12.18 The Parties may mutually agree to the appointment of a single Arbitrator instead of a Board, in which event the foregoing provisions shall apply equally to the appointment of a single Arbitrator where reference is made to an Arbitration Board.

12.19 Failure to Appoint: If the recipient of the notice fails to appoint, or if the two appointees fail to agree upon a Chair within seven (7) days of the appointment, this appointment shall be made by the Minister of Labour for the Province of Nova Scotia, upon the request of either Party.

In such cases, the Employer will give affected Employees as much advance notice as possible of such a change.

48.8 Employees who, at the time of the signing of this Agreement, have entitlements for vacation or for vacation pay in excess of that provided for in this Article shall be entitled to maintain such entitlement.

48.9 An Employee terminating employment at any time in the Employee's vacation year, before the Employee has taken vacation, shall be entitled to a proportionate payment of salary or wages in lieu of such vacation prior to termination.

49.2 An Employee covered by this Agreement, while operating an Employer-owned motor vehicle, becomes involved in any collision or accident with such motor vehicle may be suspended with pay until an investigation has been completed to the satisfaction of the Employer. Where the Employee is found not responsible for such accident, the Employee will be fully reinstated and will receive callback pay and full seniority rights retroactive from the date of the suspension.
49.3 Any Employee who while operating an Employer-owned vehicle is charged under the *Motor Vehicle Act, or Criminal Code of Canada* or becomes involved in any collision or accident is expected to immediately report the collision, accident or infraction to the Employee's immediate Manager or designate. Failure to report such accident will render the Employee subject to disciplinary action up to and including discharge.

49.4 **Driver's Abstract:**

   a) Employees who are Bus Drivers shall provide to the Employer a release enabling the Employer to obtain a driver abstract when required by the Employer; and

   b) For Employees who do not provide the release as required by 49.4(a), it is a condition of employment for bus drivers that a Driver's Abstract be provided to the Manager of Transportation by each driver within seven (7) days of commencement of operations in each school year. Failure to provide this driving record in a timely fashion with full and accurate information may result in disciplinary action being taken by the Employer.

49.5 Any employee whose position requires that they hold a valid driver's license and have their license suspended or revoked, must notify their immediate supervisor or designate forthwith.

**ARTICLE 50 - WAGES / ALLOWANCES**

50.1 **Wages:** The Employer shall pay Employees bi-weekly (26 pay periods/year) in accordance with Appendix "A" attached hereto and forming part of this Agreement.

The first pay date in the school year shall be the second Thursday in August excepting that, whenever there is a three (3) week span between the second Thursday in August and the last pay date in July of the immediately preceding school year, then the first pay date instead of the second Thursday in August in the school year shall be the Monday preceding the second Thursday in August.

On each pay day each Employee shall be provided with an itemized statement of his/her wages, overtime, and any supplementary pay and deductions.

50.2 Pay for Employees shall be made by direct deposit one week after the bi-weekly payroll ending dates with the deposit being made the Thursday of the week in which Employees are paid.

50.3 When required to attend in-services or training outside normal work days or at a location other than their normal work location, Employees shall be provided transportation or paid for any additional travel at the prevailing Board rate.

50.4 Employees required to use their vehicles for business of the Employer shall be paid for such travel at the prevailing rates of the Board, or two dollars ($2.00) a day, whichever is greater.

50.5 Bus Drivers who need to plug in their buses during the winter months will receive a refund of the incurred expense of $60.00 (or the actual net cost, whichever is greater) to be paid April 1st of each year. Such Bus Drivers shall be provided with timers by the Employer.
50.6 Mechanics and mechanic helpers shall be provided with coveralls when required and if required to go on the highway to repair buses shall be provided with rain gear for inclement weather.

50.7 Each mechanic and maintenance Employee who is required to provide his own tools shall be provided with an annual allowance of two hundred dollars ($200.00) to help replace worn or broken tools, payable on presentation of proof of purchase at year end.

50.8 The Employer shall provide transportation to all bus drivers to pick up and return their buses in June and September of each year.

50.9 All bus drivers will receive one (1) pair of coveralls at least every two years or as needed when the old pair of coveralls is returned due to being damaged or worn out.

50.10 All maintenance employees will receive one (1) pair of coveralls at least every two (2) years or as needed when the old pair is worn out and returned to the Employer. Safety footwear will be provided in accordance with current practice.

a) The Employee holding the full-time position must request the job share in writing on or before March 15 of the school year in which the sharing is to occur. Once approved, the remaining part of the full-time position shall be posted and filled in accordance with the terms of this Collective Agreement. Any subsequent vacancy shall also be posted in accordance with this Collective Agreement.

b) Job sharing shall be on a 50/50 basis for the hours of the full-time position.

c) Only one (1) working position may be shared by two (2) Employees.

d) A job sharing arrangement shall be in effect for one (1) year or less and can be extended by mutual agreement between the Employer, the Union and the Employees sharing a position.

f) If one of the job share Employees resigns his/her position, the arrangement will cease and the position will revert back to the original arrangement or be filled in accordance with the terms of the collective agreement.

g) Approval to enter into a job share arrangement is at the discretion of the Director of
Human Resources and is subject to the agreement of the Union. Any request for a job share that meets the criteria in this Article and that does not adversely affect operational requirements shall not be unreasonably denied.

h) Job sharing shall be considered the same as a regular part-time assignment for the purpose of seniority.

i) When an in-service is held for Employees in the classification of the job sharing arrangement, the Employees scheduled to work shall attend.

MEMORANDUM OF AGREEMENT RE: NEW CLASSIFICATIONS

The Employers and CUPE Locals agree:

While recognizing the right of each individual Employer to determine and establish classification(s) within its own Board, each Employer also recognizes the value of maintaining the voluntarily developed standardized classification and wage scale.

To that end:

a. There will be established a New Classification Committee consisting of a maximum of one CUPE employee and a maximum of one management employee from each Board as well as spokespersons for CUPE and the Employers.

b. The New Classification Committee will meet annually, if required.

c. When an Employer has developed a new classification (a classification that does not currently exist and appropriately falls within that particular board’s CUPE bargaining unit), the Employer shall provide the job description and wage scale (as implemented within the Board) to the members of the New Classification Committee a minimum of fourteen (14) calendar days in advance of the annual meeting.

d. When there is one or more new classifications to be considered, the New Classification Committee will meet at the annual meeting with the purpose of reviewing and, where possible, determining the appropriate relative wage scale for the new classification as presented.

e. Such review and determination, where possible, is limited to considering:

   i. required duties;
   ii. standardized title; and
   iii. the appropriate wage scale as it fits within the relativities established within the existing agreement.

f. Nothing herein prevents the Employer from implementing a new classification anytime in advance of the meeting in accordance with the provisions of their applicable collective agreement.

g. Should the New Classification Committee reach by consensus a different wage scale:

   i. if the different wage scale is more than the implemented wage scale, it shall be retroactively applied to the date of implementation of the new classification;

   ii. if the different wage scale is less that the implemented wage scale, it
shall be implemented effective the next pay period following the New Classification Committee decision.

h. Should the New Classification Committee not reach consensus on a different wage scale, either:

i. The Employer’s implemented wage scale remains; or

ii. At the discretion of CUPE or an Employer, the unresolved issue of appropriate relative wage for the new classification will be settled by a mutually agreed upon arbitrator [with the jurisdiction of applying the conditions established in (e)].

iii. Following each annual meeting, if there is more than one referral pursuant to (ii), then those matters will be referred to the same Arbitrator at the same hearing.
MEMORANDUM OF AGREEMENT RE: REDEPLOYMENT

The Employers and CUPE Locals agree:

In the event that Shared Services initiatives result in work being transferred from one or more of the above Employers to another of the above Employers, and the transferred work falls within the bargaining unit of a CUPE Local at the receiving Employer and the receiving Employer determines that it will require an increase in the complement of employees to perform the transferred work, the Parties hereby agree to the following:

1. The principle is permanent/regular CUPE bargaining unit Employees who have been subject to layoff and who have recall rights under their respective Collective Agreement will have the opportunity to transfer into newly created positions in the same classification, subject to qualifications as determined by the receiving School Board, provided that classification is currently a CUPE classification in the receiving Board. Notwithstanding, existing employees of the receiving School Board shall maintain the right to internal transfer within their current classification in accordance with the provisions of the local Collective Agreement considered for available employment opportunities in CUPE bargaining units in the same classification with the other participating School Boards in priority to the hiring of new employees. Employees who transfer shall maintain their current seniority as per the seniority list, service, accumulated sick leave and accumulated vacation from the originating Board’s Collective Agreement. From the date of hire with the receiving School Board, the employee is subject to the provisions of the local Collective Agreement.

2. For the purposes of this agreement the lay-offs discussed are limited to permanent lay-offs provincially mandated by the shared-service review.

3. The Employers and the Union will form a Joint Provincial Redeployment Committee. The purpose of which will be to create a process, administered by the Employers, which will allow displaced redundant permanent/regular employees, to be made aware of other potential re-employment opportunities in CUPE bargaining units as per the Locals listed above.

4. The committee will address any issues around implementation and interpretation including the awarding of funded severance, if any.

5. In the event that work is transferred from one or more Employers to an Employer not bound by the Memorandum of Agreement, any Employer shall advocate with the receiving Employer to accept any affected Employees as fairly and equitably as possible.
